Message from Mrs. DeDominick:

Parent Teacher Conferences will be held in November. Teachers will be reaching out to you to set up conference dates and times. These meetings are important for discussing your child's strengths and challenges. We look forward to seeing you there!

Marking Period One ends on November 11 and report cards will be mailed home prior to Thanksgiving Recess.

For November, we will be focusing on HONESTY. We spend a lot of time teaching students that it is important to be honest, even when it is hard to do so. As adults, we are the role-models and it is important that the children do not see us telling lies, even if they are small lies. We need to speak the truth and follow through on our promises. We are teaching the students that doing what we say we are going to do builds trust in relationships. These are such important characteristics for our children to practice and learn. Thank you for reinforcing our mega-skills at home. Ask your students about our PBIS program and earning Kernan Cash at school for great behavior, being honest and following school rules.
