NO LEVY INCREASE

The proposed levy for 2024-2025 is \$30,005,865, the same as the 2023-2024 levy. This levy is below the maximum allowable tax levy as determined by NYS Law, and will only require a simple majority vote. The Utica City School District proposed budget has no levy increase in the 2024-25 school year.

However, because of assessments and STAR reductions, the school district has no control over a resident's final property tax bill. Again, there is no increase in the levy.
