

WEEKLY MESSAGE FROM

DR. KATHLEEN DAVIS, INTERIM SUPERINTENDENT OF SCHOOLS

DISTRICT NEWS:

Dear Members of the Utica City School District Community:

I would like to thank the Adirondack Sports Council for affording our students and staff the opportunity to attend the IIHF Women's World Championship games. This was a wonderful life experience. The enthusiasm demonstrated by our students show their excitement from this learning experience.

I want to wish all families a safe and wonderful spring break starting April 19th -26th. We look forward to your child's return. The month of May promises to bring great learning activities for each child. The growth our students have shown is amazing. We are proud of each one of our students. Thank you for your trust in the school and your continued partnership.

Sincerely,
Dr. Kathleen Davis
Interim Superintendent

DISTRICT WIDE FIELD TRIP TO THE IIHF WOMEN'S WORLD CHAMPIONSHIP

Over 3,200 Utica students had a blast attending the IIHF Women's World Championship hockey games on April 3rd, 5th & 9th. At the events, students were given "thunder sticks" and bottled water courtesy of the Adirondack Sports Council and the Utica Comets. Elementary students also received learning booklets that included interactive pages, coloring sections and mazes. Approximately 155 Proctor athletes attended the Women in Sport Summit on April 5th at Utica University. The summit featured a panel of experts, speaking on topics that included strength & training, nutrition, sports related health & wellness and equity. The games and summit provided amazing opportunities for students to experience events that celebrated diversity and women in sports.
