

Principal's Message

Sun days, fun days!

It has been a wonderful school year and I'm very happy to say: Happy Summer! Congratulations to all General Herkimer students for a successful 2017-18 school year. What a year! As this school year comes to an end, I can't help but reflect on everything we've learned and experienced together. This has been a truly wonderful year filled with hard work, enthusiasm, and lots of smiles. The students have covered a lot of material and have been part of many fun and exciting school projects.

I couldn't be more proud of the students, teachers, and staff at General Herkimer. You all make the school what it is: A wonderful, supportive place to learn and thrive. I also appreciate the ongoing support from parents, faculty members, District Administration, and The Board of Education.

I wish the graduates of our 2018 class of sixth graders the best of luck in their future adventures! You're all very capable and I encourage you to continue to work hard in school and set goals for yourself that help you realize your full potential. I'm sure you'll all make me very proud.

I hope you have a fantastic summer!

Best Wishes!

Alicia D'Ambrosio
Principal
