September 12, 2022

Dear Parents and Guardians,

I hope this message finds you well. The purpose of this letter is to inform you that there has been a change in bus information for students who ride Bus 12 to Jones Elementary School.

It has been brought to my attention that students who are riding bus 12 have been late getting to school or have not been picked up. To ensure that all students are transported to and from school in a timely manner I have made some adjustments to the Jones bus routes. Beginning tomorrow September 13, 2022, some students who were on bus 12 will now be on Bus 15. The remaining students will remain on Bus 12 however pick up and drop off times have been altered. An updated bus letter will be sent home with your child this afternoon to reflect any bus changes.

Below are the bus stops and new pick-up times for those students effected:
