

Public Service Announcement for Emergency Child Care during School Closure

As part of our school district's response plan to the Novel Coronavirus pandemic, the district would like to inform you that the Child Care Council at Cornell Cooperative Extension in collaboration with the Oneida-Herkimer-Madison BOCES can help parents secure emergency childcare during the school closure, **especially for those parents who are health care professionals and emergency responders.**

Should you need childcare during the school closure, please call the Child Care Council at Cornell Cooperative extension at area code 315-223-7850 extension 222.
