

The Utica City School District will be pursuing Title I School Improvement Grant 1003 (Basic) for the 2022-2023 School Year.

Purpose of Title I School Improvement Funds:

Section 1003 of the Elementary and Secondary Education Act (ESEA) requires that State Education Agencies allocate funds to Local Education Agencies (LEAs) for Comprehensive Support and Improvement schools (CSI), Targeted Support and Improvement schools (TSI), and Target Districts to support their 2022-23 District Comprehensive Improvement Plan (DCIP) and 2022-23 school-level improvement plans and thereby improve student performance. These funds are to be used to support the implementation and monitoring of school improvement activities as required in the ESEA.
