To All Students and Parents of Proctor High School,

As you know, Governor Cuomo closed all New York State schools for the remainder of the 2019-2020 school year. In light of this announcement, some unfortunate decisions have to be made regarding upcoming events and activities.

With sadness, I'm informing you that the Junior Prom and Senior Ball are being cancelled this school year. The safety, health and well-being of all students and their families, as well as all staff, has to remain the number one priority.

With that said, as we look ahead, we will also be conducting a virtual graduation to recognize and celebrate Thomas R. Proctor High School's Class of 2020. This is in lieu of a traditional graduation ceremony at the *Adirondack Bank Center at the Utica Memorial Auditorium*. As we move forward, more information will be forthcoming regarding plans for the virtual graduation.

Again, these decisions have been made to protect the health and safety of all students, staff, and parents. We will keep you updated as we navigate during these unprecedented times.

Thank you for your understanding during these very difficult times.
