

UTICA CITY SCHOOL DISTRICT
929 York Street
Utica, NY 13502

IMPORTANT MESSAGE

December 13, 2021

Dear Parents/Guardians:

Recently, many rumors have been circulating in the area about possible school district closures.

Once again, this is a reminder that the Utica City School District has no intention to close schools at this time and switch to remote learning unless the school district is ordered to do so by a governmental agency such as the health department.

A similar message was posted for parents to all communication platforms and sent to all school district employees on December 2, 2021.

Again, the Utica City School District has no intention to close at this time and remains fully open.

Thank you.
