

UTICA CITY SCHOOL DISTRICT
929 York Street
Utica, NY 13502

January 3, 2022

Dear Parents/Guardians:

On Sunday, January 2, 2022, the Utica City School District distributed COVID-19 test kits for parents so that parents could test their child/children for COVID-19 before they returned to school on Monday, January 3, 2022.

As a reminder, if your child tested positive for COVID-19, please be sure you have kept your child home and contacted their school.

Once the school has been contacted, parents are also able to self-report positive cases to the Oneida County Health Department by using the following link:

<https://lfweb.ocgov.net/Forms/COVIDTestResults>

If you were unable to pick up a test kit for your child, you may still do so at your child's school this week.
