

*For student who have medication in school ~ please remember to pick up all medications by **6/23/23** or they will be disposed of.

*Just a reminder to submit physicals done over the summer to the school in September.

***Students starting 6th grade** in Sept will need to have their TDap vaccine by the age of 11, please contact their primary care Dr. to obtain these vaccines. Students will not be allowed to attend school without a completed vaccination. A reminder notification will be in student's report cards.

***Students entering 7th grade will need to have a meningococcal vaccine.**

Thank You

And have a wonderful summer 😊

Nurse Krista
