

Jefferson Elementary Junior Raiders October 2023

It is hard to believe that September is already over and that cooler temperatures and more fall like weather have arrived. We have had a busy last few weeks getting to know your children, and we enjoy seeing their smiling faces every day!

It was nice to see so many families at our Welcome Back Picnic, our Open House and our Student of the Month assembly. Thank you to all of you who have joined us! We also had fun with our Disney Day and Pink Out Day. We have finished our fire drills for the year and will be conducting lock down drills soon. Please be sure to talk with your children about what to do in emergency situations. Additionally, please continue having discussions about what they are learning academically as well.

Home and school communication is very important, so please connect with your child's teacher should you have any questions or concerns. Likewise, teachers will be contacting you directly if they have any concerns about progress and/or behavior.

Just a reminder...

Nov 30—SOM

**THE
POSITIVITY
PROJECT**

Theme of the Month
Teamwork

This month we are recognizing the theme of Teamwork.

Teamwork means working together to solve a problem or achieve a shared goal; like socializing and forming friendships. The ability to work with someone effectively helps children build skills including listening, cooperation and leadership.
