Your support of our students and school make Jefferson a great place to work and learn. Your children have been working very hard and it is amazing how much they have grown academically over the last few months.

Jefferson teachers continue to utilize data to drive and differentiate instruction. Furthermore, they recognize the importance of each student understanding what they need to improve upon. We are counting on you to partner with us as we encourage students to apply effort to targeted i-Ready lessons and interventions. Thank you for all you do for JES and our "Junior Raiders".

As a reminder, students do go outside for recess weather-permitting. Please be sure your children are dressed appropriately for the weather each day. The faculty and staff join me in wishing you and your family a Happy New Year as we continue to move forward together. Please let us know if you need anything!

Tricia Norton

Principal
