Developing Meaningful Relationships

Principal's Note:

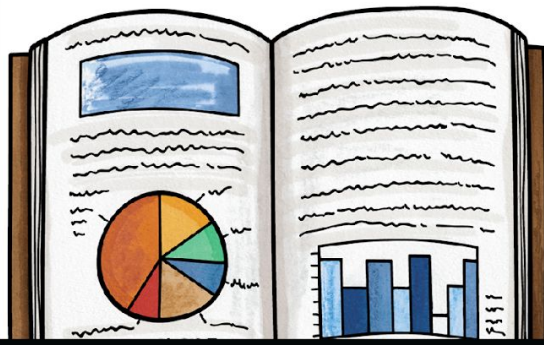

One of our school improvement commitments this year is developing meaningful relationships!

For our students, our goal has been to have activities and events that are meaningful for students!

As a school, we seek to have fun activities that will make school a place where students want to be. Our school community wants students to feel welcome and have fun!

We have had a great start. Students are participating in a host of activities already, and we hope that this will continue!!

Club Spotlight

8th Grade Class

The 8th grade class has been meeting to discuss possible fundraising ideas, semi-formal dance, and end of the year trip!

Crochet Club

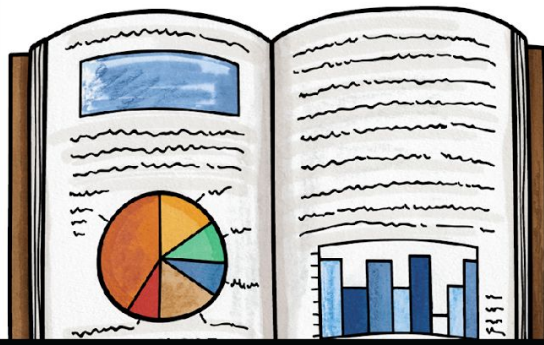

Crochet Club is up and running. In just three short weeks our students have read a poem about crocheting everywhere, have explored the emotional benefits of crocheting, and have begun to learn the basic motions and terms. Some have already created their own spooky decorations for the fall season, including ghosts, pumpkins, and even garlands!

Club Spotlight

Chess Club

At JFK Chess Club we do three things.
We learn about Chess.
We get better at Chess.
And most importantly have fun!

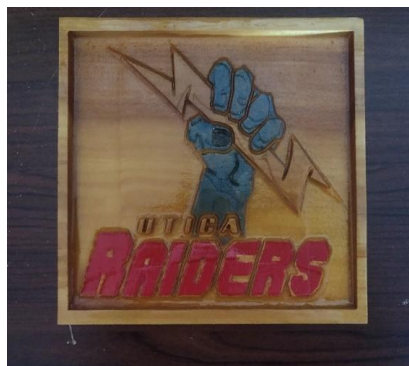

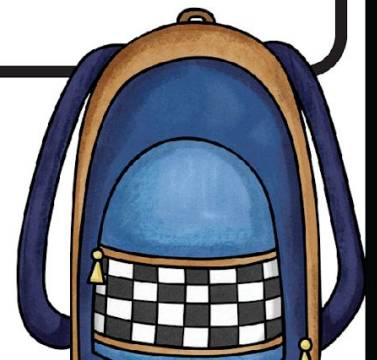

Technology Club

This year there is over 60 students involved in technology programs after school. There are 2 programs that meet weekly: entrepreneur program and CAD printing program.

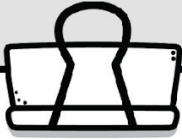

Students are learning the basics of CAD (Computer Aided Design) using a program called Autodesk Inventor. CAD/3D printing program is 3D modeling Jack-O-Lantern pumpkins with their own face designs and 3D printing them.

Entrepreneur program is designing and producing CNC wood carving plaques using a program called V-Care and finishing them with a rustic Adirondack look.

Club Spotlight

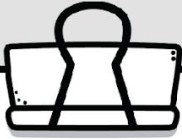

Money Smart Club

The Financial Management Curriculum will peruse through 12 modules to introduce students to the financial world through discussing banking, setting goals, making the most of an income, making a monthly spending and savings plan, and much more.

Newspaper Club

Do you like to write or draw? Have you recently seen a good movie or read a great book that you'd like to write a review about? Join Newspaper Club! The goal of the newspaper club is to produce a student-written newspaper every marking period throughout the school year, covering school and community events. Students also get to show off their creativity through poetry or fictional writing or by creating a comic strip.

Newspaper Club meets every Wednesday in Room 102 after school. To join through google classroom, use code zjqsfa.

The Six Pillars of CharacterSM

CITIZENSHIP

RESPONSIBILITY

FAIRNESS

CARING

TRUSTWORTHINESS

RESPECT

What Are The Six Pillars of Character?

Trust means people are able to be honest and loyal.

Responsibility means that people can rely on you to do what you're supposed to do even when no one is looking.

Respect means being tolerant of others and considerate of others' feelings

Fairness means being impartial and unbiased and listening to others,

Caring means to be understanding of people and helping people when they need it.

Citizenship means to cooperate with, participate in, and give back to your community.

Examples Of Trust

In School

Trust means -able to be honest, even when decisions are difficult

- 1. Keeping your promises*
- 2. Being a team player*
- 3. Keeping secrets*
- 4. Not Gossiping or spreading rumors*

Character traits that show trust

1. Being authentic - Authentic people are not trying to be above anyone else. They are likeable, humble and easy to talk to. Authentic people are genuine, true to themselves, and aren't blindly following the crowd.

2. Consistency - Everyone has a bad day. But people want to see consistent, positive behavior in the people that they trust. Affirmative actions and smart decisions make a difference in the eyes of others

3. Integrity - People naturally gravitate towards others that stand up for what is right in life, even when no one is watching.

*Remember, you can't be
terrific without being
trustworthy!*
