The Final 50 Days of School!

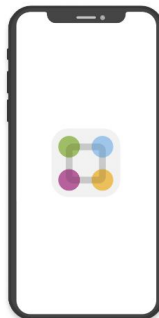

Hi everyone.

Right now we are turning the corner and the 30 week report cards will be completed shortly! We are also into our final 50 days of school!

Our students continue to amaze me every day. We have such a great group of students this year! Academically, we have had record numbers of students make honor rolls and achieve at a high level!

We have also had several student events that have been very positive for our school community.

Principal's Note, page 2

As we move into our final 50 days, the year will go by quickly. There is something every day for students: Field trips, games, concerts, musicals, moving-up ceremonies, testing, assemblies...there is literally something every day for the rest of the school year!

Student attendance at this point is critical. Please send the students every day so that they will complete their learning and enjoy this fun time of the year!

I have added several pictures to the newsletter to show you some of the great things that are happening!
