### Message from Mr. Timpano:

Can you believe it's June! This year flew by so quickly. The Kernan students and staff have worked hard this year! The gains that students have made this year are remarkable and impressive. I am so proud of the effort and determination they have demonstrated. The memories and friendships have impacted our students in a positive light.

As the end of the year winds down, please be sure that your child continues to attend school regularly. In addition, I ask you to remind your child that they are not to use cellphones at school. It is best that students' phones are left home. I thank you for your continued support.

Please keep students brains active over the summer with enrichment opportunities offered by the district.
