

**All incoming 9th grade students and new students are invited to Proctor High School for self-guided tours. Students are encouraged to follow their schedules and visit their classrooms.**

Staff will be located throughout the building to assist parents and students with directions and/or any questions. A copy of your child's schedule will be available in the main gymnasium.

Students and parents can enter the building through the main entrance on Hilton Avenue *or* the Arcuri Sports entrance. Parking is available near both of these entrances. We look forward to seeing you!
