However, there are also many students who do struggle on a daily basis due to learning challenges, living environment, or many other factors that the students are dealing with daily/weekly...	View

12512442	I genuinely feel as though Albany is one of the better schools to work at in the district. The few issues that I do have are not within the building, but at the district level. Overall, I enjoy this job, and I am becoming more appreciative of it very school year.	View
